# Intranet Training Module

The screenshot shows a dark-themed intranet interface. At the top, a navigation menu includes: CEO'S MESSAGE, OUR ORGANIZATION, COMPANY HISTORY, COMPANY CULTURE, GLOBAL COMPANY INFO, KNOWLEDGE CHECK (highlighted in red), and NEXT STEPS. The Equinix logo is in the top right corner. The main content area is split into two columns. The left column features the title 'KNOWLEDGE CHECK' in large red letters, followed by a paragraph explaining a 'cross-connect game' where users connect five customer icons to form a mesh of 10 fiber paths. A 'BEGIN >' button is at the bottom of this column. The right column contains a world map with five red square nodes and white lines connecting them to form a network mesh.

EQUINIX

## KNOWLEDGE CHECK

Welcome to the cross-connect game. In this game, the icons represent five Equinix customers cross-connected in the form of a mesh. There are a total of 10 cross connects, each representing a "fiber path". When you answer correctly, the fiber path will "light up" to represent a successful cross connection. Otherwise, the correct answer will be displayed as part of the feedback.

Your goal is to light up the entire mesh by answering all the questions correctly.
